TUESDAY, 5 NOVEMBER 2019 – MORNING

MATHEMATICS – NUMERACY UNIT 1: NON-CALCULATOR FOUNDATION TIER

1 hour 30 minutes

ADDITIONAL MATERIALS

The use of a calculator is not permitted in this examination. A ruler, a protractor and a pair of compasses may be required.

INSTRUCTIONS TO CANDIDATES

Use black ink or black ball-point pen. Do not use gel pen or correction fluid.

You may use a pencil for graphs and diagrams only.

Write your name, centre number and candidate number in the spaces at the top of this page.

Answer all the questions in the spaces provided.

If you run out of space, use the additional page at the back of the booklet. Question numbers must be given for the work written on the additional page.

Take π as 3.14.

INFORMATION FOR CANDIDATES

You should give details of your method of solution when appropriate.

Unless stated, diagrams are not drawn to scale.

Scale drawing solutions will not be acceptable where you are asked to calculate.

The number of marks is given in brackets at the end of each question or part-question.

In question **3**, the assessment will take into account the quality of your linguistic and mathematical organisation, communication and accuracy in writing.

1. Tina is opening a day-care business for children, called *Tina's Tots*.

In Wales, to look after children, there must be:

- 1 adult for up to 3 children under 2 years of age,
- 1 adult for up to 4 children aged 2 years,
- 1 adult for up to 8 children aged 3 to 7 years.

The ages of the children that will be attending *Tina's Tots* are:

0 years 6 months	7 years	0 years 8 months
7 years	1 year 1 month	4 years
1 year 6 months	3 years	0 years 5 months
5 years	4 years	7 years
6 years	2 years	3 years
0 years 4 months	5 years	0 years 9 months
2 years	0 years 4 months	1 year

By completing the table below, calculate the total number of adults needed to look after these children. [4]

Age in years	Under 2	2	3 to 7
Number of children			
Number of adults			

Total number of adults needed =

Examiner only

Examiner only In a survey, people were asked, "Have you been to any arts events in Wales in the last (b) year?" The percentages of people answering "Yes" or "No" were calculated. The results for some local authorities are shown in the table below. Yes No **Local Authority** % % 60 40 Isle of Anglesey Conwy 64 36 Flintshire 44 56 58 42 Powys Pembrokeshire 57 43 Swansea 56 44 42 Bridgend 58 Cardiff 67 33 Merthyr Tydfil 47 53 Blaenau Gwent 46 54 Monmouthshire 61 39 Use the information in the table to answer the following questions. (i) Which local authority has the largest percentage of people who answered "Yes"? [1] (ii) How many local authorities have a greater percentage of people answering "No" rather than "Yes"? [1] What is the range of the percentage of people who answered "No"? (iii) Circle your answer. [1] 21% 33% 44% 11% 54%
