

Belong, Believe, Achieve:

It has been a pleasure to welcome our pupils through our doors this week. We have been incredibly impressed by our new year 7's who have embraced their new environment and studies with enthusiasm. We would like to thank you for helping us ensure our pupils are 'smart on the inside, smart on the outside.' We remain aware of the financial difficulties facing many of our families at this time and would strongly encourage you to contact your child's Head of Year if you need any help ensuring that they are ready to learn. We would like to thank parents for their generous donations to our uniform appeal so far.

We were delighted with our GCSE results over the summer holidays – with our Y11's achieving the highest grades in Willows' history. One in five pupils received an A-A* grade with many pupils leaving school with more than 10 qualifications at a pass or above. This demonstrates the dedication and excellent work ethic of our pupils as well as the support of teachers and support staff at school. Year 10 pupils who received some GCSE and GCSE modular have made a good start and will now need to continue to work hard in Y11 for Summer 2023 success! Congratulations to all pupils on these results! We wish them well for the future and thank them for their positive contribution to Willows High School.

Merits - 07.09.22 - 09.09.22:
