Weekly Newsletter – 24.03.23

Hello! مرحباً! Ahoj! Ola! Dzień dobry! Salut! Hello!

Belong, Believe, Achieve:

Our Anti-Racism group have been leading the assemblies this week, covering racism, Eid and Ramadan. We are so proud of our motivated and passionate students. They did an amazing job.

Merits – 17.03.23 – 23.03.23:

We respect the effort that our pupils are putting into their character and studies. A huge Willows well done to all of this week's merit winners:

Year Group	Total	Excellent Effort	Merit Champions
Year 7	3446	7Hepworth	Tarteel Yousif
Year 8	2803	8Curie	Sultan Sanusi
Year 9	2476	9Markova	Kayden Allen
Year 10	2038	10Plato	Chira Mohamed
Year 11	2090	11Schumann	Daniella Nakazzi

Dates for your Diary:

- 31.3.23 – Second Cooking on a Budget class in the Learning Lounge
- 18.4.23 – Mathswatch parent workshop in the Learning Lounge
- 21.4.23 - Supporting Teaching & Learning (Teaching Assistant Course) for parents in the Learning Lounge
- 21.4.23 - Managing Children's Behaviour for parents in the Learning Lounge
- 3.5.23 - Care Course for parents in the Learning Lounge
- 3.5.23 - Child Psychology for parents in the Learning Lounge
- 25.4.23 – School Nurse visiting to administer the first and second doses of the HPV vaccine

Sport Dates:

- ⚽ Wed 29th March Yr8 Vs St John's H
- ⚽ Thurs 30th March Yr10 Vs St John's A

Willows Welsh Eisteddfod 2023

This Wednesday, we celebrated Welsh culture by holding our annual Eisteddfod. Both staff and students were excited, as Covid has restricted us from whole school events for so long.

Off stage competitions were held by every subject department across the school. These included: designing a new Welsh flag, Cooking a Welsh recipe, designing a lovespoon and writing a verse of poetry based on Hedd Wyn, to name but a few. The tasks were so engaging and varied, that students really got behind completing them.

The on-stage winners displayed their talents in the Theatre yesterday in front of their peers. The event was opened by our very special guests, The Cardiff Male Voice Choir. Their performance was beautiful, and a real treat for pupils to witness an event so distinctive to Welsh culture and customs.

The on-stage acts were so varied, that there was an opportunity for all students to display their personal talents. We had poetry recitals, drama performances, instrumental performances, rock bands and solo singing performances. We even had talented teaching staff who were willing to sing, read and inform us of their Welsh Language journey.

After much planning, and many rehearsals, the show was a resounding success. The pupils did us proud by displaying their talents and performing to the best of their ability. It was a treat to see. We now look forward to a bigger and better event next year!

May I take this opportunity to thank all staff and pupils that took part in and helped during the Eisteddfod. I was so proud of the quality and variety visible on the stage. You should also be proud of yourselves. You were all role models yesterday to younger students. You have inspired them more than you will ever know. Mrs Rees

#willowswelsh #ymaohyd #ysgoluwchraddwillows #cymruambyth

Miss Begum led and organised our assemblies on racism, Eid and Ramadan this week. Thank you to our Anti-Racist Group for doing a tremendous job at educating our pupils and answering all of their questions.

7CO loved the indoor 3G pitch at Ocean Park Arena. This facility will be part of the new school site when we move and will provide great sporting opportunities for our pupils. Looking forward to another visit soon!

School of Sanctuary Award

We are extremely proud to have been recognised as a School of Sanctuary, we are one of three secondary schools in Cardiff who have achieved this. Huge thanks to Mr. Gill and his team for doing all of the hard work towards this recognition.

A school of Sanctuary is:

- A place that fosters a culture of welcome and safety for people seeking sanctuary, including asylum seeking and refugee families.
- A place that educates the whole school community about the human right to sanctuary and identifies practical means for schools to demonstrate that commitment.
- A place that builds empathy and intercultural awareness through promoting the voices and contributions of people seeking sanctuary, encouraging an understanding of the experiences of displaced people and helping to combat stereotypes.

SCHOOL OF
SANCTUARY AWARD
WELCOMING ASYLUM SEEKERS AND REFUGEES

Proud to be a place of welcome

In recognition of its work and ongoing commitment to engage with and celebrate the positive contribution of refugees and asylum seekers

Willows High School

is hereby awarded the
School of Sanctuary Award
22nd of March 2023

Olwen Evans on behalf of Wales City of Sanctuary

 **City of Sanctuary**

Year 11 Character & Kindness Celebration

In the run up to Easter break we will be celebrating all Year 11's who demonstrate good character, and acts of kindness. As a staff body we are encouraging and rewarding Year 11's who take responsibility as role-models within the school. At the end of term there will be a Winner's Reward Ceremony for standout students, and personal prizes will be awarded.

Year 11 Science & Tassomai

Since half term Year 11 pupils have been attending science lessons during form time. These extra two hours of science lessons per week will ensure that all content is covered, with plenty of time to revise by the end of the year. Revision sessions are taking place after school for both Year 10 resits and Year 11 content. Pupils should see their teachers for a reminder of the timetable.

We have purchased subscriptions to Tassomai (an online revision tool) for all Year 11 pupils. Through Tassomai pupils can revise Science as well as English and Maths. Pupils will have received their login details and video guides this week, so should be well on their way to completing their Tassomai journey. Over the coming weeks pupils will receive reports with QR codes to show which areas they need to spend time on when revising. Please encourage your child to spend at least 15mins per day revising using this tool.

If you would like to learn more about Tassomai you can click on this link: [General Overview](#)

More Able and Talented

Year 11 Summer Schools: Pupils who fulfil the criteria for Seren have been sent information by email regarding four different summer schools:

- *Aberystwyth University Residential Summer School:*
17 July -20 July 2023
- *Aberystwyth University Veterinary Science Summer School:*
17 July -20 July 2023
- *New College, University of Oxford Residential Summer School:*
7 August -11 August 2023
- *STEMHaus Online Summer School in collaboration with Swansea University:*
7 August - 11 August 2023

Applications are online and should be completed by 21st April.

Year 8 and 9 Languages Event: There is the opportunity for year 8 and 9 Seren Foundation learners: Routes into Languages virtual event with Cardiff University and Jesus College Oxford on the 29 and 30 March 2023.

Seren has partnered with Routes into Languages Cymru, Cardiff University and the University of Oxford's Jesus College, to host three exclusive modern language tuition sessions for Seren Foundation learners interested in furthering their knowledge of modern languages. The two live sessions will take place online from 5pm-6pm via eventbocs.

During the sessions, learners will have the chance to:

Take part in mini-lectures and workshops

Join a virtual campus tour of the University of Oxford

Take part in a Q&A session with Routes into Languages Cymru and current language students

- Attend a career guidance session to hear how the skills learned through languages can prepare them for the future

- Engage in pre-event activities, including a language challenge, with prizes for the best entries

It is a great opportunity for Seren Foundation learners who are particularly interested in languages, and thinking about studying them at GCSE or A Level. Please see your languages teacher if you would be interested in taking part.

Student Fundraiser

Please consider contributing to Thabo's (Y11) 'Go Fund Me' page so that he can attend 'World Youth Day' with the other members of his church. The link is here and a small donation would be gratefully received by Thabo and his family:

Student Council

Our student council will walk with Active Travel Wales to the new school site on Monday. They will be discussing how to make the route as safe as possible for active travel.

We have appointed Amelia Leonard as our Young Carer Ambassador. Well done Amelia.

Mathematics Department

All of our students' weekly Mathematics homework are accessible on MathsWatch (<https://www.mathswatchvle.com/>). They must be submitted on their given deadlines. Each set homework is open for a month, so that students can keep improving their scores. This will also help your child to revise and to practice the mathematics and numeracy skills, knowledge and understanding that they have been learning in class. There are videos available to each topic and interactive questions that they can try. Please ensure your child completes and submit their homework on time.

On that note, we would like to say a huge congratulations to all those who have been working so hard on their MathsWatch.

Here is this week's "**Top 3 Leaderboard**" for each year group.

Year 7 Leaderboard

	Week	Month	Year

Numeracy Boost sessions (NBS):

Using a variety of digital (e.g., TT-Rock Stars) and non-digital resources, all KS3 pupils will benefit from Numeracy Boost Sessions to enrich their Mathematics skills. they will be delivered fortnightly by Mathematics teachers. It is a great opportunity to support low abilities further and stretch high potential pupils. It will start after the half term break.

Internal Numeracy Competition - KS3:

A Numeracy competition is taking place before easter holiday. KS3 pupils have been provided with some relevant resources that can be used to prepare for the quiz.

Relevant emails with details have been already sent to pupils.

Junior UKMT Challenge - Y7 and Y8 MAT pupils:

UKMT Challenge is an external Mathematics competition giving Y7 and Y8 MAT pupils the opportunity to tackle a variety of mathematical activities which inspire their love to problem solving. It will take place in April. Below is the link to the UKMT website where pupils can familiarise themselves with the challenge and can practise as much as they need to increase their confidence.

Relevant emails have been already to pupils.

<https://www.ukmt.org.uk/competitions/solo/junior-mathematical-challenge/archive>

For any related questions, please contact Mrs Ait-Brahim at:

halima.ait-brahim@willows.cardiff.sch.uk

Mathswatch Workshop for Parents

Our maths department is offering a mathswatch workshop for parents on Tuesday 18th April 10.30 – 11.30. This is a chance to ask any questions you have regarding mathswatch and to learn how to use it to best support your child. If you would like to come to the workshop please contact Beck in the learning lounge rebecca.crnoja@willows.cardiff.sch.uk or on 07592037937

Parent Survey

A link has gone out to parents via text and on classcharts for a school survey. It is completely anonymous and only takes a few minutes. We would greatly appreciate if you would take the time to fill it out and give your feedback on the school

Important Information for All Parents and Guardians

Please be aware that **Fixed Penalty Notices** are now being issued by Cardiff Council again.

If your child has more than 5 days of unauthorised absence since September 2022 or takes an unauthorised holiday, then you are at risk of a Fixed Penalty Notice Fine being issued.

Fines are **£60** at first, if this is not paid it rises to **£120** and then **£180** - if the fine is still not paid then you will be summoned to court and the fine and costs will rise again. **Please note these fines do not go away.** Please make sure to read any correspondence carefully.

To avoid being fined, please ensure that your child attends school every day - if there is a valid reason for absence, please contact the Attendance Team giving evidence where possible.

Water bottle change now in place:

As part of developing ethical, informed practices at Willows High School, we have listened to our pupils who believe that we should attempt to reduce the amount of single use plastic in our school. We have also asked for the opinions of parents who also supported the idea (thank to everyone who responded). As a result, our canteen will no longer be selling bottled drinks.

We would be grateful if you could make arrangements for your child to bring a reusable water container to school which can be refilled during breaktime and lunchtime at one of our water fountains. If you would like the school's support in this, please contact our Family Engagement and Wellbeing Officer, Rebecca Crnoja at rebecca.crnoja@willows.cardiff.sch.uk.

We appreciate your support in this initiative and will continue to listen to pupil views on how we can make further improvements to become more environmentally friendly. We have now saved over 5000 single use bottles from being sent to landfill!

Learning Lounge & Courses

It's been a busy week in the Learning Lounge. We've taken our parents to Cardiff and Vale College to sign up for further learning and our Cooking on a Budget Course has gone down a treat! If you'd like to sign up for the next session on Friday 31st March, please see the poster below.

We have lots of great courses and events coming up in the Learning Lounge. Texts will be sent out with details but if you would like to know more now contact Beck 07592 037937 rebeccac.crnoga@willows.cardiff.sch.uk

COOKING ON A BUDGET

The Learning Lounge

Come and join us at our Cooking on a Budget class in the Learning Lounge. We will provide everything you need to cook up a tasty meal you can then enjoy at home!

You will learn cooking and budgeting skills and hopefully meet some new friends!

Our first session is now fully booked but there are still places for our second.

Session 2: Fri March 31st 10am – 1pm

The Learning Lounge, Willows High School

To book a place contact Beck on 07592037937 or

Rebecca.crnoja@willows.cardiff.sch.uk

Citizens Advice Bureau

A reminder that members of our community can make appointments with staff from the Citizens' Advice Bureau at our Learning Lounge. They can provide advice of a range of topics such as housing, benefits and legal matters. To make an appointment, please e-mail [Rebecca Crnoja](mailto:Rebecca.Crnoja@willows.cardiff.sch.uk) on Rebecca.Crnoja@willows.cardiff.sch.uk

Health and Well-being:

HPV Vaccine - You can find an information booklet about the vaccine at the end of the newsletter

Dear Parent /Guardian,

The School Nursing Immunisation Team will be visiting your child's school on **25/04/2023** to administer the **second dose** of the HPV (Human Papillomavirus) vaccine. **There is no need to fill in a new consent form for this.**

The vaccine helps protect a person from being infected by the Human Papillomavirus. This virus increases the risk of developing some cancers later in life, such as cervical cancer, some mouth and throat cancers and some cancers of the genital area. The HPV vaccine does not protect against other sexually transmitted infections.

The vaccine will be offered to all pupils in year 9, 10 and 11 who have received their first vaccination.

You must inform us on the contact details below if any of the following apply:

- If your child has received their second dose of the HPV vaccine at the GP practice or another health setting.
- If your child has received their first vaccination at the GP practice or another health setting and you would like your child to receive the second dose in school as we will need to obtain your consent for this.

If your child has not had the first dose of the HPV vaccine and you would now like them to receive the vaccine, you should have already received an invite to complete an electronic consent. You can access information on the virus and the immunisation programme at <https://phw.nhs.wales/topics/immunisation-and-vaccines/vaccination-information1/hpv/#about>

The vaccine used in the national HPV (human papillomavirus) programme has changed from Gardasil to Gardasil 9. Gardasil 9 protects against more strains of the HPV virus, and therefore offers greater protection against cancers caused by HPV. It has been used extensively in other countries since it was first licensed in 2015 and it has a good safety record. If your child received Gardasil for their first dose, they are now being offered Gardasil 9 for their second dose. We will continue to use the consent for vaccination you have provided for both doses of HPV vaccine. A complete list of ingredients and possible side effects for the Gardasil 9 vaccine is available at www.medicines.org.uk/emc/search?q=gardasil

If you have any questions or need to contact us via the details below.

Regards

Dear Parent /Guardian,

The School Nursing Immunisation Team will be visiting your child's school on...**25/04/2023**.....to administer the Human Papillomavirus (HPV) vaccine. All pupils in Year 8 will be offered their first dose and will receive their second dose in Year 9.

The vaccine helps to protect a person from being infected by the Human Papillomavirus. This virus increases the risk of developing some cancers later in life such as cervical cancer, some mouth and throat cancers and some cancers of the anus and genital area, it also helps protect against genital warts. The HPV vaccine does not protect against other sexually transmitted infections.

If you would like your child to receive the HPV vaccine please provide consent by completing the E-consent form.

To access the E-consent form please use the link below, or scan the QR code (by holding your mobile phone over the QR code with your camera app open). Links to further information regarding HPV and the vaccine are available on the E-consent form. If you wish to complete the E -consent form in Welsh, there is an option to access this once you have opened the E-consent by clicking on the top right-hand corner tab.

Please complete the form even if you do not wish you child to receive the vaccination. Deadline for submission of the consent form is ...**19/04/2023**.....

It is essential that you provide a valid email address when completing the E-consent form to receive correspondence and a confirmation receipt from the immunisation team.

If you have any difficulties accessing or completing the electronic consent form or need any further advice please contact the immunisation team.

<https://forms.office.com/e/AQgz8m0bDz>

Kind Regards

School Nursing Immunisation Team

Vaccination saves lives

Can you help with the 'Digital support for young people with their mood & wellbeing' study?

Researchers at Cardiff University have developed a bilingual program/app with young people to support their mood and well-being, called **MoodHwb**. Do you know of any young people who would be interested in trialling the programme?

It is an opportunity to offer mental health support to young people, and the feedback will help to develop resources in the future. All participants will receive a gift voucher and certificate. It's free to take part.

Staff or parents/carers can encourage young people (13-19 years old) who are experiencing low mood (or other difficulties with their mood/wellbeing) to go to the study website for more information and to fill in a participation form: <https://www.ncmh.info/help-with-research/digital-support-study/> There is a video on the project on this site.

The research team can also send **postcards** about the study to the school which can be given to young people. Parents and carers can also take part, and you might also wish to share the project details in your online communication or newsletters with parents/guardians.

Dr Rhys Bevan Jones (psychiatrist and study lead) is also happy to present a virtual session on the project, mental health and careers (e.g. on medicine, psychology and art) for students at your school. Rhys recently won a 'Digital Innovation Award' by the Association for Child and Adolescent Mental Health (ACAMH) for his work on the development of digital mental health programmes.

For more info, please visit the study website or email: YouthOnlineStudy@cardiff.ac.uk

Parent Talk Cymru Parent Support

There's a lot of pressure on parents at the moment. Parent Talk Wales is a free and confidential service for parents of 0-19 year olds in Wales. You can get support with anything that's worrying you about parenting or your child.

We're on hand to support parents, when you need us. Browse our articles on the most common parenting questions from our experts. Or talk one-to-one with a qualified parenting coach about anything that's worrying you. It's all free, and no topic is too big, small, or embarrassing.

This service is also available in Welsh

Visit: parent-talk.org.uk/wales

We're here:

12:30-19:30 Monday
10:30-16:30 Tuesday
9:30-16:30 Wednesday
12:30-19:30 Thursday
09:30-16:00 Friday

WELCOME TO WONDERFEST 2023

Wonderfest is our annual festival for young people aged 13+, parents and professionals working with young people to support their wellbeing.

We have a jam-packed schedule of events, online sessions and workshops planned.

Wonderfest is an event by Platform. For further information contact:

youngpeople@platform.org
01656 647722

platform4yp.org

By young people, for young people

For mental health and social change

PIPA

An online **P**arenting **I**ntervention to **P**revent affective disorders in high-risk **A**dolescents:
The PIPA Trial

The PIPA Trial

The PIPA trial is exploring the effectiveness of an online resource for parents/carers to help reduce depression and anxiety in young people.

Who can take part?

With the assistance of schools, we will be recruiting families of young people aged 11-15 from the UK.

What does it involve?

Parents/carers and young people will be asked to fill in some online questionnaires and parents/carers will be invited to work through a series of online modules or factsheets.

Benefits for families

Improve knowledge of mental health and emotional wellbeing in young people. Pick up some useful tips and strategies to help support young people.

Get in touch!

Email: PIPA@warwick.ac.uk
Phone: 02476574316 or 02476575078

Wellbeing in school

Pupils

If you feel you need some support with your wellbeing we want to help and there are many places to go:

- Ms. Crnoja in the Learning Lounge is here to look after your wellbeing so please come down for a confidential chat.
- Your Head of Year or any member of the Welfare Team are there to support you. You can find them at line-up time, in the welfare office or anywhere around the school.
- A member of staff you trust. All members of staff will be there for you. If you want to confide in someone please do and they will help get you the support you need.

Parents

We want to help you as best we can and there is a lot of support out there for parents.

Ms. Crnoja can be contacted on 07592 037937 rebecca.crnoja@willows.cardiff.sch.uk.

Your child's Head of Year and the welfare team can also help. Please do not suffer alone. Reach out to us.

Safeguarding:

A reminder that the school safeguarding lead is Danielle MacKintosh. If you are worried or concerned about a child and any time (including over the holidays) then please e-mail her on Danielle.MacKintosh@willows.cardiff.sch.uk If you are a pupil that needs help, please also contact Danielle via this e-mail address.

Chat Health:

A reminder that all secondary school pupils can text the school nurse service for any medical support and advice. This may be useful if your child is too anxious or embarrassed to talk to a doctor in the first instance. Please chat about this with your child and make them aware of the service and number (below):

The poster is for ChatHealth, a service for 11-19 year olds. It features a hand holding a smartphone with a text message interface. The text on the poster includes: 'IF YOU'RE 11-19 YEARS OLD TEXT YOUR SCHOOL NURSE ON 07520 615718 FOR CONFIDENTIAL ADVICE AND SUPPORT'. Below this, it says 'We help young people with all kinds of things like...'. To the right, there is a list of issues: 'BULLYING', 'SMOKING', 'EMOTIONAL WELLBEING', 'FEELING SAD OR ANGRY', 'EXAM STRESS', 'HEALTHY EATING CHANGES TO YOUR BODY', 'DRUGS', 'ALCOHOL', and 'RELATIONSHIPS'. Logos for ChatHealth, GIG, and NHS are at the top. A small disclaimer is at the bottom right.

Cardiff Foodbank:

Willows High School is a partner agency for Cardiff Foodbank.

If you need a Foodbank Voucher please call Beck Crnoja (Family and Community Engagement Officer, Willows) in confidence on 07592 037937

Cardiff Youth Service:

Cardiff Youth Service can support young people on a variety of topics such as emotional health, housing, finance and help lines. More information can be found on their website:

<http://cardiffyouthservices.wales/>

Here is a reminder of some of the key services available for young people and their families:

- **School nurse** – pupils can text 07520615718 or ‘chat’ on ‘Chathealth.NHS.UK’ for confidential advice and support.
- **Family Gateway** – 03000133133 – provides advice for families no matter how big or small the problem.
- **Food Bank*** - our nearest food bank can be found at St. Saviours Church on Splott Road. For dates and times, go to <https://cardiff.foodbank.org.uk/>
- **Period Poverty** – Please e-mail Mrs. Bubbins at Kelly.Bubbins@willows.cardiff.sch.uk if you need feminine hygiene products and we’ll do our best to help.

FLU VACCINATION WALK-IN CLINICS

Flu continues to circulate in Wales

If your child has missed the nasal spray flu vaccine in school or at the GP practice it is now being offered at:

Woodland House Mass Vaccination Centre

Maes Y Coed Road, Cardiff CF14 4HH

Monday to Sunday 10:00 – 18:30 until 31st March 2023

The injectable flu vaccines that do not contain pork gelatine are also being offered

Who's Eligible?

All children aged 2 years (aged 2 on 31st Aug 2022) to school age Year 11 within Cardiff and the Vale

Diolch:

As always, thank you for your support. If there are any problems, we would appreciate that you contact the relevant person in school straight away rather than using social media platforms. We will always try our best to reach a solution and this will ensure your concern is seen and avoid any misinformation and miscommunication.

By working together, we can ensure your child's success.

Team Willows

Vaccination saves lives

HPV Vaccination

Protecting against HPV infection
to help reduce your risk of cancer

Iechyd Cyhoeddus
Cymru
Public Health
Wales

You cannot protect
yourself against everything.

But you can get yourself
vaccinated against the
human papillomavirus (HPV),
a common virus which can
cause many different types
of cancer.

The HPV vaccination programme

More than 280 million doses of the HPV vaccine
have been given worldwide, including 120 million
doses in the US and over 10 million in the UK.

The HPV vaccine has been offered to all girls
in school year 8 since September 2008.
From September 2019, the vaccine has also
been offered to year 8 boys. This
is because the evidence is clear
that the HPV vaccine helps
protect both boys and girls from
certain types of cancer.

2

Vaccination Saves Lives

What is HPV and how is it spread?

HPV is a very common virus
which usually has no symptoms.

People probably will not even
know they are carrying the virus,
and in most people HPV clears
up quickly.

If you don't know you have
the virus it means you can
pass it on to others.

More than seven out of 10 people
who have not had the HPV
vaccination will get infected.

HPV lives on the skin in and
around the whole genital
area (your private parts) and is
usually spread through intimate
sexual contact. Condoms do not
provide complete protection from
HPV. Getting the vaccine now
protects you against future risks.

There may not be immediate symptoms, but HPV
can lead to cancers such as:

- cervical cancer (in females);
- some mouth and throat cancers; and
- some cancers of the anus and genital area.

HPV can also cause genital warts, which is one of
the most common types of sexually transmitted
infections.

Vaccination Saves Lives

5

What difference has the HPV vaccine made so far?

- It is expected that the vaccine will save
hundreds of lives every year in the UK. A recent
English study has shown a reduction of 90% in
cancer-causing HPV in young women in their
20s who were vaccinated aged 12 to 13.
- The HPV vaccine also protects you against over
90% of genital wart infections.

Having the HPV vaccine

The vaccine is given in your arm and you normally
need two injections to be fully protected. The first
injection is usually given at school in year 8. The
school nurse or vaccination team will let you know
when both injections are due.

To give you the best protection, the vaccine should be
given before you become sexually active. If you are
sexually active you should still have the vaccine.

The HPV vaccine

Since 2012, Gardasil has been the HPV vaccine used
in the UK. Sometime during the 2021 to 2022 academic
year the HPV vaccine will switch to Gardasil 9. If you
had Gardasil for your first dose you can have Gardasil
9 for the second dose. Both boys and girls can have
the HPV vaccine.

Anyone can catch, carry
and pass on HPV. Getting the
HPV vaccine when you are
offered it makes sure you
are protected for your future.

6

Vaccination Saves Lives

Side effects of the HPV vaccine

Side effects are usually mild. The most common
side effect is a sore, swollen or red arm where
you had the injection. This usually wears off
within a few days. Less common side effects are
headaches, nausea and fever. Serious side effects
are extremely rare.

As with all vaccines, reports of side effects are closely
monitored and reviewed. Extensive reviews of the
safety of the HPV vaccine have found that evidence
does not support a link between the vaccine and a
number of serious and chronic (long-term) illnesses.
For more information, go to who.int/groups/global-advisory-committee-on-vaccine-safety/topics/human-papillomavirus-vaccines/safety

You or your parent or carer can report suspected
side effects of vaccines and medicines through
the Yellow Card scheme. You can do this online
at www.mhra.gov.uk/yellowcard or by calling the
hotline (free) on 0800 731 6789 (Monday to Friday,
9am to 5pm).

Are there any reasons why I should not be vaccinated?

There are very few teenagers who cannot have their
HPV vaccination. You should not have the vaccine if
you have had a severe (life-threatening) reaction to
any ingredient of the vaccine or to a previous dose
of HPV vaccine. This severe reaction is called an
anaphylactic reaction. These reactions are extremely
rare and nurses are fully trained to deal with them.

If you have had a severe reaction to a vaccination in
the past, it's important that you include the details of
this on your consent form. It's also important you tell
the person giving you the vaccine.

If you have a minor illness without a temperature,
such as a cold, you should still have the vaccination.
If you are ill with a high temperature, put the
vaccination off until you are better.

Also, speak to your doctor or nurse before having
the vaccination if you:

- have a bleeding disorder; or
- have had convulsions (fits) not associated with fever.

What should I do if I feel unwell after the vaccination?

If you have a temperature and feel unwell after the
vaccination, you can take paracetamol to help you
feel better. Read the instructions on the packet
carefully and take the correct dose for your age. We
don't recommend that you take this medicine before
having the vaccine to try to prevent a temperature
from developing.

Remember, if you are under 16
you **should not** take medicine that
contains aspirin.

Extra information for girls

Having the HPV vaccination between the ages of 12 and 14, followed by regular cervical screening when you reach 25, offers the best possible protection against cervical cancer.

Do I still need to go for cervical screening if I have had the vaccine?

Anyone aged 25 to 64 who lives in Wales and has a cervix is offered cervical screening (smear) tests.

The vaccine will prevent around seven out of 10 cervical cancer cases, but screening can find other high-risk HPV infection not covered by the vaccine. By finding HPV infection or cell changes early, screening can prevent cervical cancer from developing. For more information, visit cervicalscreeningwales.wales.nhs.uk/home

What about the other cancers?

There are currently no screening programmes for other HPV-related cancers. If you are worried about any symptoms, speak to your GP practice.

Any questions?

What do I need to do?

If you receive a consent form and information leaflet from school, make sure you and your parent or carer read the information about the vaccination, sign the consent form and return it to school as soon as possible. It's best to involve your parent or carer in your decision about having the vaccination, but in some circumstances you can give permission for the vaccination yourself if you fully understand what is being offered.

What if I've lost my consent form?

You can get another one – just speak to your school nurse as soon as possible.

What if I have not had my first HPV vaccine by the age of 15?

The HPV vaccine works best before you've ever been exposed to the virus. If you have not had any HPV vaccine before your 15th birthday you should discuss it with your school nurse, vaccination team or GP practice. They will let you know how many doses you will need and where you can get the vaccination.

I missed my vaccination. Can I still have it?

Yes. If you are in the eligible groups and have missed any of your HPV vaccinations at school, you can still have them up until your 25th birthday. You should try to catch up as soon as possible. Contact your school nurse, vaccination team or GP practice and discuss it with them to see if you can have it.

Does this mean I cannot get cancer?

No. The HPV vaccine protects you against most, but not all, forms of HPV. Because HPV can lead to cancer, this vaccine is about reducing your risk.

Vaccination Saves Lives

11

HPV vaccine to-do list

- ✓ Talk to your parent or carer about getting the HPV vaccine and let them read the consent form and information leaflet.
- ✓ If you still have questions, talk to your school nurse – they are there to help.
- ✓ Return the signed consent form to school.
- ✓ Make sure you go to school on the vaccination day. If you miss it for whatever reason, you should have more opportunities to have the vaccine.
- ✓ If you have left school or are not sure if you have missed any vaccinations, speak to your GP practice.

Where can I get more information?

If you have any questions or want more information, you can visit 111.wales.nhs.uk, talk to your doctor or nurse or call NHS 111 Wales.

You can find out more information on vaccines offered in Wales at: phw.nhs.wales/vaccines

Information on cervical cancer is available by visiting Jo's Cervical Cancer Trust website at: jostrust.org.uk

You can find out more about the vaccine, including its contents and possible side effects at medicines.org.uk/emc. You will need to enter the name of the vaccine (Gardasil or Gardasil 9) in the search box. You can also see the patient leaflet online.

You can report suspected side effects online at www.mhra.gov.uk/yellowcard or by downloading the Yellow Card app or calling 0800 731 6789 (Monday to Friday, 9am to 5pm).

A schedule showing which vaccinations are routinely offered in Wales is available from: 111.wales.nhs.uk/CompleteSchedule

To order more copies of this leaflet, visit: publichealthwales.org/HealthInformationResources

You can find out how the NHS uses your information at: 111.wales.nhs.uk/AboutUs/Yourinformation
