Governors' Annual Report To Parents

2022 / 2023

Introduction by the Chair

Dear Parents and Carers,

I am pleased to deliver the Governors' Annual Report to Parents which provides information about our school for the academic year 2022/2023.

It has been another busy year in the life of Willows, where change is always guaranteed. Every school year has a natural ebb and flow; welcoming new faces and waving goodbye to the young people in year 11. For those of you who are new to the school, and this report, I'd like to extend a very warm welcome.

What is the Governors' Report? Many things about the internal workings of the school including this report can be something of a mystery. Its purpose is to explain our work and the value it adds to our school. It also allows you an opportunity to reflect on the effort and commitment that everyone gives to support the school and the learning of our young people.

The report is a shared piece of work and it describes life at school, its statistics and achievements. It also allows me the opportunity to publicly thank the Headteacher and staff for their dedication to the learning and personal development of our pupils.

Last academic year saw governors even more involved than in previous years with stronger links, knowledge, involvement and freely given commitment. Although we come from all walks of life, with different reasons for volunteering, we share one vision; to help Willows provide the best possible education and develop every young person's full potential. An equal balance of challenge and support is key. This doesn't just come from me as Chair and the Chairs of the various committees, but from every committee member. We all share responsibility and actions; every one of us has a positive impact in the committee and the outcomes for the school, its staff and pupils.

Willows is joy to be involved with and it is full of enthusiastic and engaging pupils who are allowed the opportunity to grow through independent learning, excellent teaching and the vision and leadership of the Headteacher and Senior Leadership Team. This is facilitated by the support and partnership given by parents and carers.

Thank you, enjoy a relaxing festive break with family and friends,

A handwritten signature in blue ink that reads "James". The signature is written in a cursive, flowing style.

James Ellis
Chair of Governors

Summer Results 2022

We are extremely pleased with the results that our Year 11 cohort received in August. They worked extremely hard throughout and showed great resilience in the examination venues.

A table showing the Key Performance indicators for the last 6 years is shown below. It is important to note that the last time pupils sat full examinations was in 2019.

	2023	2022	2021	2020	2019	2018
Capped 9	348.3	348.4	349.7	334.3	325.1	304.2
Level 2 Threshold	49%	57.2%	62.4%	52.3%	55.0%	52.4%
Level 1 Threshold	92%	88.2%	87.3%	88.6%	85.0%	87.8%
5A*-A	6%	7%	12.1%	9.1%	6.0%	0.0%

GCSE - The Revised Capped Nine Average Points Score Explained

The Revised Capped Nine Average Points Score uses a points system to award a total number of points to each pupil for nine of their qualifications.

- These totals are then averaged to give an Average Capped 9 Score for the Year11 cohort.
- Points are assigned to grades as follows **A*=58, A=52, B=46, C=40, D=34, E=28, F=22 & G=16.**
- Three of the nine slots in the total must be the best of English Literature or English Language, the best of Numeracy or Maths and the best Science GCSE grade achieved.
- The other six slots are then the pupil's best other six results.
- So, for example if a pupil scored Cs in everything their Capped Nine Points Score would be $9 \times 40 = 360$.

Revised Capped 9 – Average Point Score 2023	348.3
--	--------------

GCSE - The Literacy, Numeracy and Science Average Points Measures Explained

These performance indicators also focus on average points score in the core subjects, giving a measure of the average grade achieved in each core subject across the whole cohort. The literacy measure takes into account every pupil's best grade in English Language or Literature. The Numeracy measure counts every pupil's best grade in Numeracy or Mathematics and the Science measure counts every pupil's best GCSE science grade.

Literacy Measure - Average Points Score 2023	33.7
Numeracy Measure - Average Points Score 2023	39.0
Science Measure - Average Points Score 2023	27.0

Destinations

Following their GCSE results all but 7 pupils have secured either a place at an alternative institution or pathway to continue their education or training. 152 continued in education and 11 moved to employment or work-based training.

Comparison to Family Schools, Local Authority and All Wales figures

For focused comparison of school performance, schools are also grouped into families based on their context and the level of challenge this represents. Individual school performance can then be considered in relation to national, local and family averages.

In the latest Family of Schools grouping Willows is considered to be the second most disadvantaged school in Wales. The other schools in our group can be seen below:

Cardiff West Community High School
Willows High School
Dylan Thomas Community School
Eastern High
Mary Immaculate High School
Llanwern High School
Cantonian High School
Christ the Word
Fitzalan High School
St. Illtyd's Catholic High School

The following charts show how each school in our Family has attained in Key Performance Indicators (KPIs) for the Summer 2023 exam season compared to what was expected based on the percentage of pupils eligible for Free School Meals (the line). As can be seen Willows (the pink dot) is on or above what was expected in all of the KPIs.

Capped 9

Welsh Baccalaureate

Literacy Indicator

Numeracy Indicator

Science Indicator

5 A*-A or equivalent

Departmental Data Analysis

Each year, departmental performance data for all key stages is examined in detail and discussed at scheduled meetings with each Subject Leader early in the autumn term. These meetings have all taken place this year, and have focused on how we can best support our exam classes to succeed in the examinations which are due to take place in summer 2024.

Performance Management

A new regional Performance Management policy has been adopted and as such amendments have been made to the Performance Management process in school. All teaching staff have now met with their appraisers to agree targets for the forthcoming academic year 2023-2024. These targets are based on pupil progress, developing professional practice and improving leadership. The school has relaunched the action enquiry cycle where all teachers develop an aspect of their professional pedagogical practice using a research-informed approach in line with our whole school strategy which is aligned with the schools as a learning organisation national framework. Staff will be required to carry out a four-stage approach based on a simple Read:See:Act:Review approach to structure professional learning. The school has also fully relaunched its comprehensive whole school quality assurance systems which will directly feed into the Performance Management cycle ensuring that there is a robust system of development which supports improvement at all levels.

Performance Management for Support Staff

Although there are still no statutory requirements in place for school support staff in terms of Performance Management, Willows remains committed to equality in the development of all staff. In light of this, the school effectively carried out the Central South Consortium Performance Management protocol for support staff last year and has begun its next cycle in September 2023. Every member of the non-teaching staff is involved in this improvement planning cycle which we firmly believe contributes significantly to the on-going professional development of all non-teaching staff, to the smooth running of the school and to the support of our learners. We have expanded the provision this year to include both asynchronous and synchronous opportunities for professional learning delivered both in-house by Willows staff as well as external providers.

Attendance

As a school we have continued to set, track and robustly monitor attendance and will make the best endeavours to achieve the Welsh Government secondary attendance target of 95%.

Admissions

Arrangements for admission of all pupils is detailed in our school admission policy which is available in school for parents to see.

The School Day

Complaints

The Authority’s and School’s Policy Document on the complaints procedure is available from the school.

Health and Safety

The Governing Body works with the school staff to ensure all aspects of this important area are complied with in school. If parents/guardians have any comments regarding Health & Safety, they are encouraged to pass them on to the Headteacher.

Wellbeing

Our focus upon wellbeing continues to be a key priority.

We pride ourselves on our comprehensive approach to enhancing pupil wellbeing at Willows High School. There is no doubt that the pandemic has been an unsettling time for many of our learners.

We continue to provide and develop a wealth of wellbeing support including:

- The PAWB - Nurture provision
- Counselling – via the Local Authority and Willows High School counsellors
- Restorative Practices
- Talkabout Sessions
- Regular Wellbeing Assemblies
- Animal Assisted Therapy
- Thrive Training
- Mindfulness

Staff Development

In order to keep up to date with national and local priorities, staff attended a wide range of courses and meetings appropriate to their responsibilities and the needs of the school. Each year schools must allocate 6 days to staff training (Inset Days). The staff have also met for twilight sessions every Wednesday for Inset. The priority for these meetings relates to the school development plan and other important educational developments.

Estates Department

In order to ensure statutory compliance all checks have been completed by contractors around the school estate and any remedial works required carried out to ensure a safe learning and teaching environment.

Finance

The school has ensured that all spending remains within the allocated budget set however the very challenging nature of returning from COVID has meant that we will be reviewing our position throughout the year. The financial out-turn statement for 2022/2023 is shown on the next two pages.

We have one vacancy for a Parent Governor. If any Parent would like to apply, please get in touch with Karen Goodfellow using karen.goodfellow@willows.cardiff.sch.uk.

Governors' Expenses

No claims for expenses were submitted.

Clerk to Governor

Mrs. Anne Cullen, Clerk to the Governors, Willows High School, Willows Avenue, Cardiff, CF24 2YE

School Information

Address - Willows High School, Willows Avenue, Tremorfa, Cardiff, CF24 2YE

Type - Comprehensive

Age Range - 11 – 16

Number of pupils on roll (Dec 2023) - 826

Number of full-time equivalent teaching staff - 48.40

Pupil:teacher ratio – 19.6 : 1

Contact ratio – 72.16% (excluding Headteacher)

Teaching time per week - 25 hours.

Term Dates

Autumn Term

Starts: Monday 4 September 2023

Half term: Monday 30 October 2023 to Friday 3 November 2023

Ends: Friday 22 December 2023

Spring Term

Starts: Monday 8 January 2024

Half term: Monday 12 February 2024 to Friday 16 February 2024

Ends: Friday 22 March 2024

Summer Term

Starts: Monday 8 April 2024

Half term: Monday 27 May 2024 to Friday 31 May 2024

Ends: Monday 22 July 2024

Monday 6 May 2024 is the May Day Bank Holiday so all schools will be closed.

Additional Learning Needs

The terms 'special educational needs (SEN)' and SENCo have been replaced by 'Additional Learning Needs (ALN)' and ALNCo.

In line with The Additional Learning Needs and Educational Tribunal Act (ALNET), the school is now in the final stages of changing all previous Statements of Educational Need to Individual Development Plans. Unlike statements, which stop when a young person leaves school, IDPs will continue up to 25 years of age if the young person continues into further education.

Due to the size of the work needed, the Welsh Government has extended the deadlines for the removal of School Action and School Action Plus from the school's registers until the end of 2025.

Currently, there are 57 learners at Willows High on the top level of the ALN register, with approximately a further 60 receiving literacy and numeracy support and 93 receiving support with their behaviour and wellbeing. When the work is complete all pupils on the ALN register will have a statutory Individual Development Plan regardless of the severity of need. These IDPs are reviewed and updated annually to ensure their relevance and the appropriateness of the additional learning provision (ALP).

Our pupils with IDPs have a variety of needs. The majority will be in mainstream classes supported by an additional adult. They are sometimes dis-applied (in line with their IDP provision) from Welsh, and, occasionally, Modern Foreign Languages, as well as other subjects deemed appropriate. During these sessions, targeted interventions are put in place, as directed by the pupils' Individual Development Plans. This ranges from literacy and numeracy lessons to behaviour support.

The learning support provision is overseen by a specialist teacher in literacy and numeracy and delivered by a small team of higher-level teaching assistants.

In addition to this, several pupils require 'checking-in' and reassurance from key members of staff. This may take place during one-to-one mentoring/Learning Support sessions, or access to our nurture classroom. The team provide bespoke interventions, during one-to-one or small group sessions, e.g THRIVE and the highly successful 'Talkabout Teenagers' social skills programme.

In addition to all this work, the Local Authority provides support via several specialist teams, e.g. visual or hearing impairment.

Willows' Specialist Resource Base

In September we opened the doors of our newly set up specialist resource base. We have developed a specialist resource base for complex needs pupils in the temporary classrooms recently occupied by Stacey Primary School.

This is a few years ahead of schedule due to the demand for spaces across Cardiff. A specialist resource base is similar to a small 'special school' but attached to a mainstream school such as ours and each SRB focuses on a specific area of additional learning needs.

Our SRB focuses on complex learning needs, a catch-all term for pupils with significant needs that don't fall into some of the broader ALN categories. The area is secure with access to outdoor provision for the pupils to play, learn and hopefully grow plants in the early spring.

We hope that in time, some of the learners can access select mainstream lessons where we think

they will be successful.

Our first cohort are enjoying the learning activities and setting up their own individual learning spaces. Some pupils have been accessing one or two carefully selected mainstream lessons (PE and Art) to broaden their experiences. We've also taken on a pupil with significant complex needs from Woodlands Special School.

School Achievements

Through our weekly newsletters to parents, all the major achievements of the school have been identified and recognised. Of note, this year we achieved Rights Respecting Schools Silver status and we were recognised as a School of Sanctuary. We are one of the few secondary schools in Cardiff to achieve either of these.

Summary of Changes to School Prospectus

The Parent Handbook is up-dated annually. The handbook is available on the website and is also issued to every member of staff as part of the Staff Handbook for the school.

Action taken to Review School Policies

The Policies and Procedures Handbook is an integral part of the Staff Handbook. All policies have been updated as necessary by the Headteacher and Leadership Team. All policies are available from the School.

School's Links with the Community

The school offers a comprehensive range of activities, both curricular and extra-curricular. There are strong links with a multitude of organisations who support these activities which include academic institutions, creative industries, and a range of work based organisations.

A number of Community Organisations including the police and the health service continue to work with the school and provide inputs into Personal and Social Education, Skills Challenge and the broader school curriculum. The school has also maintained and fully utilised its excellent links with Careers Wales to continue to provide a diverse range of Careers and Education Guidance Services, to pupils in all Key Stages. A wide cross-section of employers help to both organise and run these activities.

Health and Wellbeing

Health and wellbeing remain paramount at Willows High School, not only for our pupils but also for our staff. Now, more than ever, we are conscious of the vitally important role that this plays in our school community.

We continue to strive to ensure that the school environment is safe, happy and inclusive where all members of the community demonstrate mutual respect whilst celebrating and embracing diversity. Despite current challenges, we have enhanced provision in relation to both physical and mental health and wellbeing. Specialist staff, employed by the school, provide bespoke and often unique and highly successful intervention to support positive mental health, to develop mindfulness, to enhance restorative approaches and to highlight behaviour intervention strategies. They also deliver high quality professional learning in these key areas.

We are delighted to report that there continues to be an extensive range of extra-curricular sporting clubs offered to all pupils. The take up of these opportunities continues to be strong. Health and safety protocols surrounding the provision are adhered to at all times.

The school has, for some years now, run and managed its own catering service. The staggered lunch has allowed us to offer a range of hot meals to all pupils since the start of this academic year. The school offers a comprehensive menu selection, in line with relevant Welsh Government guidance, and has expanded its daily provision, responding to pupil voice and feedback. The School provides a free breakfast to all pupils who want it as well as free fruit for pupils during morning break.

As the school continues to progress each year with the staged Healthy Schools assessment programme, the curriculum provision is also reviewed each year to ensure that health, fitness and wellbeing are key areas which are delivered across a whole school personal and social education programme which is delivered to each year group on a weekly basis.

Disabled Pupils

The school is committed to ensuring full access to all facilities and opportunities at Willows High School for all pupils and visitors with special requirements.

The school has a ramp for wheelchair users.

The school has a lift which gives access to all areas of the school.

Toilet Facilities

The school meets Health and Safety requirements for the number of toilets needed for the pupils on roll. The school also has disabled toilets in the main building and the canteen. All toilets are cleaned daily and as required throughout the day.

Sporting Opportunities

The school has a comprehensive range of sporting and extra-curricular activities for pupils to participate in. Information regarding these activities is contained within our weekly Newsletters which are sent to all parents through Classcharts and can be found on our website.

Welsh Language Provision

Willows High School is an English medium comprehensive school with a rich cultural mix. The school celebrates the fact that amongst its school population, are a total of 63 different first languages spoken. Formal Welsh Second Language provision in the school is different at KS3 and KS4. Outside of lessons the school promotes the use of the Welsh language reflecting the Welsh Government document 'Our Language: Its Future, Iath Pawb'. Our Criw Cymraeg support in promoting the use of the Welsh Language throughout the school.
